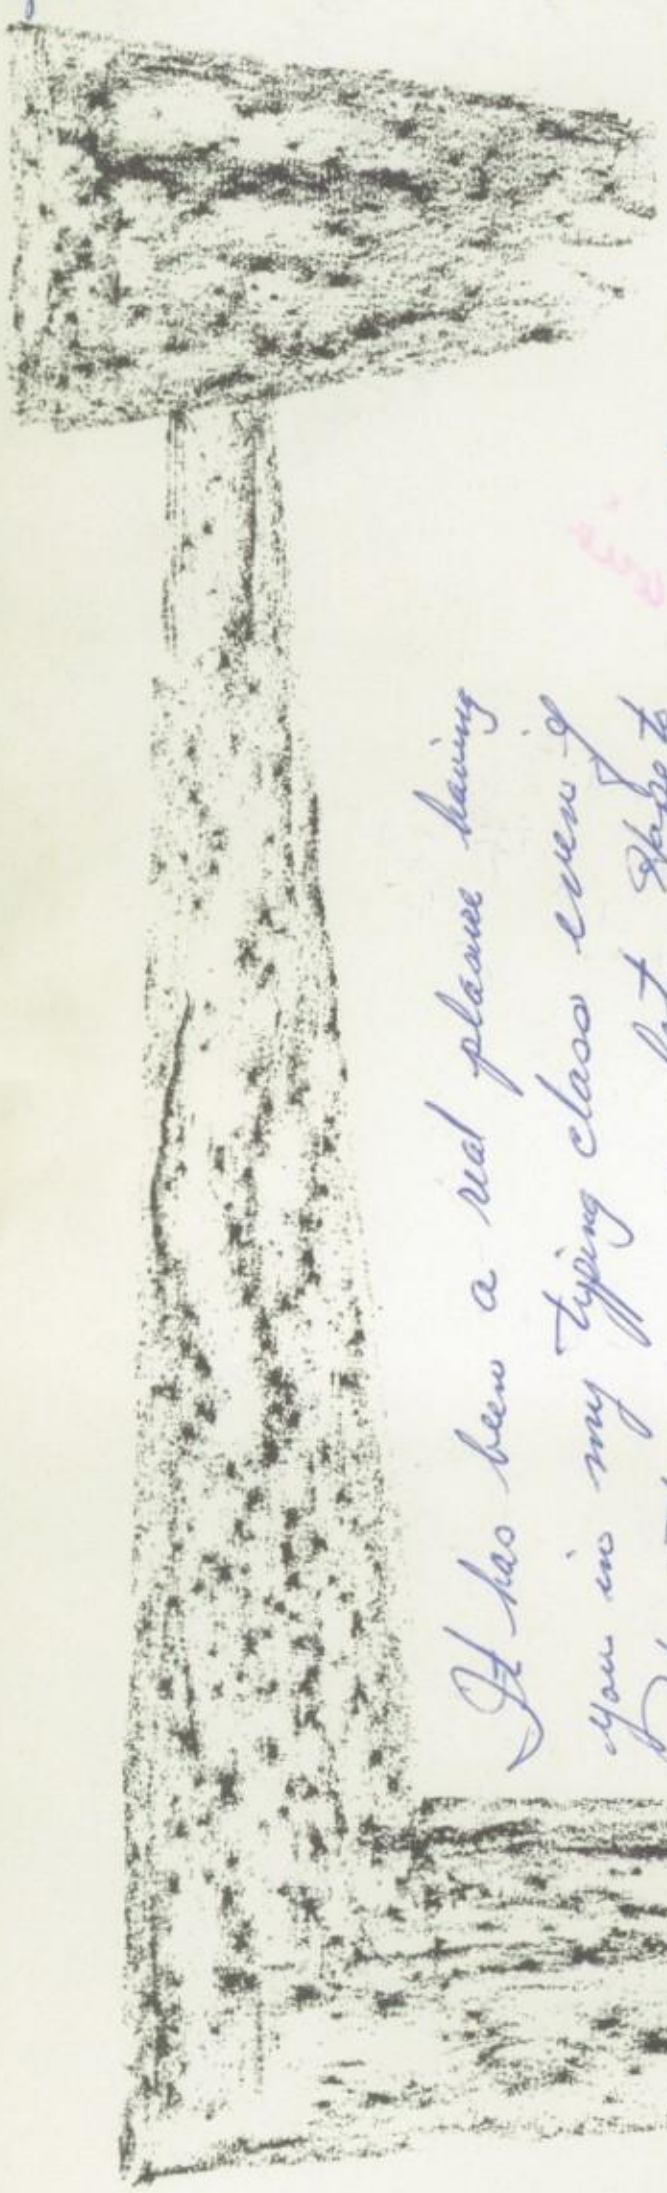
Keith
-62-

Another year comes to a close at Lodi High. The traditional events were repeated as in previous years, but retained individual identity. Each person will carry with him his own memories of these events. The 1962 Tokay is to help keep these memories alive. It is to you, the people who will remember, that we dedicate this book.

THE STAFF



It has been a real pleasure having you in my typing class this year. Hope to see you next year

I consider it a privilege to have the opportunity to live in the "space age". It is probably true that the young people in this generation face more major problems than any previous generation in the history of mankind. It must also be true that the opportunities and the challenges have never been greater for any previous generation. My close contact with the youth of this community and my faith in a just and loving God makes it possible for me to face the future with optimism and confidence. I challenge each of you to so prepare yourselves physically, mentally, and spiritually that you may also face the future with faith and confidence.

Seeing the school improve, and knowing that we did much to accomplish its improvements has made working on the student council a valuable and satisfying experience. Although the achievements are not in the limelight now, they will become a rewarding asset to the school and its future.

The chess club was organized toward the middle of the 60-61 school year and it adopted a constitution by the end of the year. Membership the first year was held to 16; however this limit was removed at the start of the 61-62 year and at the present time there are 22 boys and 5 girl members in good standing.

The club has had two matches this year. The first was with Lincoln High and they were dealt their first loss in four years. In the return match Lincoln defeated Lodi. Matches with Galt are planned and matches with Stagg, Edison, Franklin, and others are being arranged.

The 1961 Lodi Union High Varsity Football team had what could be termed a disappointing season. After winning the championship the previous year and with only the fourth undefeated season in Lodi history, the Flames made an about face and finished in last place. With a record of four wins and five losses, the Flames could not match other teams' power or speed. The team was also hurt by injuries. On the first string alone, six players missed at least one game. With a shortage of depth to begin with, this factor also contributed to the Flame down-

fall. The Central California Conference proved to be the toughest conference in Northern California. At one time or another during the season every team in the league except Modesto and Downey was ranged in the top ten in Northern California with Franklin, Turlock, and Edison ranking first at various times and Lodi ranking second. The Flames have 21 graduating seniors. This leaves very few lettermen left to form next year's team, but since the league is sure to be weaker, the 1962 team should improve on this year's record.

COACH
Harry Weinberg

61-62 season

Under new head coach Harry Weinberg, the 1961-62 edition of the Varsity squad did not have too good a season. With three games left in the season, the Flames had won only 3 games including one league encounter. The Flames had just four returning lettermen from last year and it was quite apparent that the season would be a great success from the very beginning. Lack of height and experience were the main factors which led to the Flames' downfall.

At this time the 1962 edition of the Varsity baseball team has played only four games and have won all four. The Flames thus far have featured a fine hitting attack and good pitching. The team is expected to fight it out with Downey and Franklin for the Central California Conference title. When the season is completed, Coach Gene Wellman will lose eight lettermen but will have the nucleus for a good squad next year.

track

COACH
Bill Stewart

Hoping to better their 1961 record, this year's track team started off in good fashion by winning four of their first six meets. Their main strength is in the sprints, pole vault, and relays. With continued hard work the varsity could possibly place fairly high in the sectionals.

tennis

Going into their fourth week of play, this year's tennis team has a perfect record of four wins and no losses. The team is expected to come up with their finest team in years. At the present time, Coach Sal Haro is using five veterans from last year as his main players. If they progress as is expected, this year's team could bring the first tennis championship to Lodi in many years.

golf

COACH
John Giannoni

Hoping to duplicate their outstanding record of 1961, the golf team has started off in fine fashion. As press time approaches, the team has a record of six wins, three losses, and one tie. Their chances of winning the sectionals for the second straight year do not seem too good, but the team features all underclassmen and so should have another fine season ahead of them next year under coach John Giannoni.

Hi Nancy,

Here we are on the last lap of our long struggle. Next year we graduate. (We hope) We had a lot of fun with you in Home Ec. Between the two of us I think my poor classes is about seen its better days. Just keep your wonderful personality and cheerful attitude and you'll always be No. 1 in my book. Its been a "fasinating" experience knowing you. Keep up your sewing ability so some day you can sew me my wedding dress
